COOPER HOLT  
(PAST CHAIRMAN)  
VETERANS OF FOREIGN WARS

We, of PANCO, wish to thank you again for the privilege of the briefing last Friday. Each of us regret deeply that more of our group did not have the benefit of this occasion.

CLAUDE CALLEGARY  
(PAST CHAIRMAN)  
DISABLED AMERICAN VETERANS

There was so much meat that I found it difficult to absorb all the information given to us. Although I am sure that some of our group with superb brains would be able to fully digest it.

JAMES E. VAN ZANDT  
(PAST CHAIRMAN)  
VETERANS OF FOREIGN WARS

I wish you would please extend our deep thanks to Mr. Paul Chretien and to the curator of your library. All of us felt that we could have spent hours with both of them, and regretted that we did not have such time to spend.

Sincerely yours

*John D. Goodin*
